

12 November 2018

Dear Parents and Friends,

Coffee Morning - Saturday 24th November 2018

On Saturday, 24th November, the Fifth Dunstable Scout Group will be running the coffee morning at the Methodist Church. The Coffee Morning is a regular weekly event, but it is run by different groups each week. We generally only do two of these per year, but they do help us to raise funds AND the profile of the Scout Group amongst the people of Dunstable.

To help make these events a success, we need donations of things to sell. Especially welcome are contributions of home-made cakes (small buns or full-size cakes, chocolate, plain, fruit, flapjack, whatever you like) and savoury items (scones, sausage rolls, cheese straws etc).

It would be helpful if you would let me know in advance what you expect to contribute, so we can make sure we have a sensible variety, and bring your contributions to the hall before 9:00 on Saturday morning, or to me (address above) before the day. If you can't manage either of these, give me a ring, and I'll try to arrange to pick it up from you.

We would also be grateful for help on the Saturday morning, if you can spare an hour or two between about 9am and noon. Cubs and Scouts (and Beavers if supervised) are also very welcome, especially in uniform! Again, please let me know if and when you can be there, so I can make sure we have enough hands, but not too many.

Please phone or email (details above) to let me know how you will be able to help. Or use the "I'll Help" button on the programme pages on our website, as shown below:
