

Dear Parents

### **27 February 2019 - Fire Station Visit**

Next week **Wednesday, 27 February 2019** we will be visiting Dunstable Fire Station, Brewers Hill Road, Dunstable, LU6 1AA.

Please bring your cub directly to the Fire Station at 6:00 pm and collect them at 7:30 from the same place.

Cubs should wear their uniform top and scarf and warm, waterproof outer clothing as much of the visit will be spent outdoors.

The fire fighters who will be hosting us are on duty and so may be called out during our visit, if this happens you may be contacted and asked to collect your Cub early. Please ensure that we have the contact details of someone who is available to collect them, we will use the number that you receive our text messages on if you do not give us an alternative.

We will need to have at least two additional adults to assist with this activity to ensure everyone is safe, if you are able to help please can you contact Akela/Jenny on 07941 191847 or sign up on our website.

**Note:** As you will all know Baloo/Will has been running Cubs for the past few months while I have had to be away on other commitments – I expect to be back after Easter. Due to family circumstances Baloo/Will is taking some time off from Cubs and for the next few weeks Cubs will be run by one of our Scout Leaders, Ben, with support from other leaders from the group. I will remain as your main contact throughout so please do not hesitate to contact me if you have any questions.

Yours in Scouting,

Jenny Ryder  
Cub Scout Leader  
5th Dunstable (Methodist) Scout Group  
07941 191847

---

The Scout Association is registered charity number 306101.

The 5<sup>th</sup> Dunstable (Methodist) Scout Group is one part of that association, and provides activities for young people in Dunstable aged between 6 and 14 years. All of the work of the 5<sup>th</sup> Dunstable Scout Group, including activities with the young people, and fundraising events, is performed by unpaid volunteers.
