

# 5th Dunstable ScoutGroup - Risk Assessment

Version	Produced By	Date	Content
1	Jenny Ryder	16/12/20	Base version

Online Activities - Remote Meetings			Date of next review	16/12/22
Hazard/Risk	To Whom	Controls	Changes which need controlling	
Other people gaining access to the online meeting space.	Young People	Links to meetings will only be sent to email addresses registered with the group		
		Passcodes for meetings involving young people will be sent separately to participants via a different method of communication		
		A waiting room will be used to screen the participants entering the meeting		
		The host will immediately remove any person who enters who is unexpected.		
Participants acting inappropriately in the meeting.	All	If the behaviour is serious enough then the host will immediately remove that participant from the meeting and escalate as a safeguarding concern.		
		Any less serious behaviour will be managed as per the usual procedures for handling problems involving the parents where necessary.		
Lack of local adult supervision.	Young People	Please refer to the relevant risk assessment for the activity.		
		Where an activity requires an adult to assist the parents will be informed of this in the meeting information sent out in advance.		
		Leaders should watch what each young person is doing and remind them to get an adult to help where needed.		

Considerations for Beavers
