

Cub Camp - Kit List

Please note: This list is for guidance only and is not necessarily a complete list.

Full Uniform – needs to be worn on arrival to camp and departure
Rucksack or bag to carry kit in to and from camp
Sleeping Bag
Carrymat (Airbeds and camp beds take up too much room)
Blankets and/or Camp Blanket
Pillow
Bedtime cuddly toy
Warm nightwear e.g. tracksuit (normal pyjamas aren't always warm enough and even in the summer it can get pretty cold at night)
Plimsolls or trainers – that can get really muddy and horrible
Spare shoes
Boots – walking boots or wellies
Trousers or tracksuit trousers - that can get messy
T-shirts
Sweaters or tracksuit tops – that can get messy
Socks
Underwear
Handkerchiefs / Tissues
Toilet bag with soap, flannel, toothbrush and paste, comb, shampoo
Towel
Effective waterproof clothing
Sunhat and sun cream (we are ever hopeful)
Torch and spare batteries
Notebook and pencil/ball-point
Empty Water Bottle
Pocket Money up to £5.00 in change please – to be handed into a leader on arrival

Any inhalers or medicines required, labelled with your cub's name and details of dosage etc., (hand to leader at start).

No mobile phones, games consoles or pocket knives – cubs will have free time and can bring games, toys and books. We recommend nothing expensive and nothing electronic as these are prone to water damage and there is nowhere to charge them

All items must be marked clearly with your cub's name.

It will help if your cub helps to pack their own kit, partly as this goes towards their challenge badge and also it helps to avoid first night worries that something important has been forgotten.
